

Collaboration opportunities

Community Outreach/Events

- Centro SOL attends or organizes events in the community
- Community Outreach volunteers attend events on behalf of Centro SOL
- There are three steps to be a Community outreach volunteer

One: get the materials

- Coordinate with our Operations Manager and Executive Director

Two: attend the event

- Display the Centro SOL flyers that have the QR Codes
- Chat with attendees to encourage them to follow JHCENTROSOL on Facebook and Instagram

Three: send update

- Report your impact on Hopkins Engage
- Communicate two numbers:
 - # people who attended the event (approx.)
 - # people you interacted with (approx.)

"I enjoyed being present in the community and learning that volunteering can also be about building connections and making yourself approachable."

—Romina B
